MEDICINE AND SURGERY

CONDUCTED BY

SAMUEL COLHOUN, M. D.

MEMBER OF THE AMERICAN PHILOSOPHICAL SOCIETY, CORRESPONDING MEMBER OF THE MEDICAL SOCIETY OF LONDON, &c.

ASSISTED BY

AN ASSOCIATION OF PHYSICIANS

IN

PHILADELPHIA, NEW-YORK, BALTIMORE, AND NORFOLK.

Nullius addictus jurare in verba magistri.-HOR.

VOL. VIII.

PHILADELPHIA:

PUBLISHED BY JAMES WEBSTER, NO. 24, S. EIGHTH STREET, AND E. LITTELL, NO. 88, CHESTNUT STREET; T. & J. SWORDS, NEW-YORK; WEST & RICHARDSON, BOSTON; SAMUEL & WILLIAM MEETEER, BALTIMORE; AND C. HALL, NORFOLK.

Printed by Thomas H. Palmer.

1825.

EASTERN DISTRICT OF PENNSYLVANIA, TO WIT:

BE IT REMEMBERED, That on the thirtieth day of September, in the fiftieth year of the Independence of the United States of America, A. D. 1825, James Webster, of the said district, hath deposited in this office the title of a book, the right whereof he claims as proprietor, in the words following, to wit:

"The Medical Recorder of Original Papers and Intelligence in Medicine and Surgery. Conducted by Samuel Colhoun, M. D. Member of the American Philosophical Society, Corresponding Member of the Medical Society of London, &c. assisted by an Association of Physicians, in Philadelphia, New-York, Baltimore, and Norfolk. Nullius addictus jurare in verba magistri.—Hoa. Vol. VIII."

In conformity to the act of the Congress of the United States, intituled, "An act for the encouragement of learning, by securing the copies of maps, charts, and books, to the authors and proprietors of such copies, during the times therein mentioned."—And also to the act, entitled, "An act supplementary to an act, entitled "An act for the encouragement of learning, by securing the copies of maps, charts, and books, to the authors and proprietors of such copies, during the times therein mentioned," and extending the benefits thereof to the arts of designing, engraving, and etching historical and other prints."

D. CALDWELL, Clerk of the Eastern District of Pennsylvania.

CONTENTS OF VOL. VIII.

	NO. XXIX.	
		62
ART. I.	An account of a Case of Stricture of the Esophagus, with a few concluding remarks. By H. G. Jameson, M. D., Sur-	
11.	geon to the Baltimore Hospital; with a plate,	1
	Jameson, M. D., Baltimore,	9
111.	A Case of Wounded Stomach. By Joseph Lovell, Surgeon General, United States Army,	14
IV.	Observations on Extirpation of the Ovaria, with cases. By John Lizars, F. R. S. E., F. R. C. S. E., and Lecturer on	
v.	Anatomy and Physiology, Edinburgh,	19
	Physicians to the Manchester Infirmary, &c. &c. &c., late President of the Royal Medical Society of Edinburgh,	29
